Radio W9YT Confirming

Our 558 QSO Of April 10 19 81

At 1800 GMT Time

Report 5/9 Freq. 21.380

Xmtr. Heathkit SB-102 + SB 200

~~Bcvr.~~ Running 400 RF Watts

Ant. Mosley TA 33 Beam 45' H

Remarks: TNX DAN, for letting me join in group at the Engr'g Exposition of the University of Wisconsin. I really enjoyed this QSO in which WA3YQY/CCA also was on frequency.

You put a great signal into San Juan. P.R. —

Enclosed is the SASE for the certificate confirming this special event at the University.

73, William
